SEIU Wisconsin State Council Endorses Gary Hebl for Assembly

Milwaukee – Today, SEIU Wisconsin State Council endorsed Gary Hebl for re-election to the 46th Assembly seat.

“Rep. Hebl has been a strong advocate for working families in the state legislature,” said Mike Thomas, SEIU Wisconsin State Council president. “Last session, he voted with workers when it came to collective bargaining, family and medical leave, unemployment insurance, and equal pay enforcement. We need to re-elect Rep. Hebl to help restore basic rights for hard-working Wisconsinites. It’s time to move the state forward and we’re proud to stand with Rep. Hebl for re-election.”
